

Skiing with Midland Ski Club 'Arrows' at Swadlincote Snowsports Centre

Sept 2019

Coaching and race training for Midland Ski Club members at Swadlincote Snowsports Centre is available on Wednesday evenings and is open to all members of all ages.

6.00-7.30 U12
7.30-9.00 O12

The age range reflects the change from stubbies to full gates in competition.

Sessions will be available whenever the slope is open, unless advised in advance. Skiers must, as a minimum, be able to ski in linked turns, control their speed safely, and use the button lift. Skiers must wear trousers, long sleeves and gloves. Helmets are compulsory for juniors and all using poles.

Payment

Swadlincote Snowsports Centre handles all payments on the Club's behalf.

You may book in advance but there is no requirement to do so – just turn up on the night allowing plenty of time to get ready.

Please report to Reception on arrival and sign the register on the counter before your session, showing proof of Club membership. Payment before your session is required. The fee covers use of the slope, instruction and also equipment hire if required.

Standard session rate

The normal rate is £20 for all skiers.
This session is not covered by the separate Ackers 'contract' rate.

Taster session Rate

There is a taster rate of £5 for your very first session. After that, the standard rate applies. After 2 sessions, it is a requirement that you join Midland Ski Club.
