## **7. John Arnold Legacy**

“Dave took some time earlier this month to communicate via email with many and face to face with some of those who support Gillian's proposal which is essentially to ring fence the £1000 that John bequeathed to the club, this will be drawn upon when there are any shortfalls with regard to the planning or operation of the John Arnold training week or club holidays (unforeseen circumstances). This will be replaced from any surplus from the training week or holidays or as funds are returned by those benefiting from its application. Therefore it remains perpetual and helps to secure the future operation of these events for the benefit of all, in memory of John Arnold.”
