## **1. Club Championships**

Di provided details for the upcoming Club Championship this included a number of options.

- Swadlincote slope on a Friday evening or Saturday morning
- Ackers slope on a Friday evening

The cost for hiring Swadlincote slope is much more than the cost of hiring Ackers slope on the regular Friday club training night.

There was a long discussion on the benefits of Swadlincote slope versus Ackers slope.

A vote was taken on which slope should be used and on which day. It was agreed that we should hold the Club championships at Swadlincote slope on Friday evening 5<sup>th</sup> November.

## 2. Winter Race League

Di provided details for the upcoming Winter Race League this included a number of options.

- Swadlincote slope on a Friday evening
- Ackers slope on a Friday evening

The cost for hiring Swadlincote slope is much more than the cost of hiring Ackers slope on the regular Friday club training night.

We are proposing five race evenings over the winter months and at this stage following Covid we are uncertain as to how many race entries we will receive for each race.

There was a long discussion on the risk to the club finances if we do not receive sufficient entries to cover the cost of hiring the more expensive Swadlincote slope.

A vote was taken on which slope should be used. It was agreed that we should hold all the Winter Race League races at Ackers slope on a Friday evening.

The proposed dates are as follows:

26<sup>th</sup> November

10<sup>th</sup> December

14<sup>th</sup> January

11<sup>th</sup> February

11<sup>th</sup> March

**Action: Di, Dave to contact the management at both Ackers slope and Swadlincote slope to reserve the slope for the Club Championship and the Winter Race League on five evenings**

## 3. Volunteers to assist at the race evenings

**Action: Di, Dave to prepare and send out an email to club members requesting volunteers to help out on the race evenings.**

## **AOB**

4. Alan thanked MSC officials for all there help at the ESSKIA qualifier held at Gloucester slope on Sunday 19<sup>th</sup> September it was much appreciated and holding these events is only possible with all the help from MSC.
5. Next meeting to be advised.
