4. **MSC Club Championship**

Jenni provided feedback from the Club Championship which was a huge success we had eighty one racers attend the event. We held a raffle on the evening which was well supported.

Jenni thanked the MSC members who helped as officials on the evening we are only able to plan and deliver races when everyone all works as one team.

Action: Jenni will document what worked well and where we could improve for future race evenings.

7. Taster sessions

Jo raised the issue that taster sessions on Eola are on all evenings. Jo suggested that they are planned for evenings which are general coaching sessions and not on performance coaching evenings.

Action: Gerry and John to update the taster sessions on Eola.

8. Eola booking system

We discussed the Eola booking system cancellation policy which currently is set to seventy two hours. It was suggested this could be amended to forty eight hours cancellation policy.

Action: David, Di to investigate if we should change to forty eight hours.

9. Coaches meeting

We have recently recruited a number of new coaches thus a meeting to review existing procedures would benefit everyone.

Action: David to set up a coaches zoom call meeting.

10. Pila Family Race Camp

As we are unable to run the Pila race camp this December a communication via email should be sent out to all club members to advise the camp is cancelled.

11. MSC - Easter and Summer 2022 Race Camps

In order to help parents plan attendance at Easter and summer race camps next year could we start planning dates well in advance.

We are always in competition with the race academies thus it would help if we planned the dates in advance and secured the venues in advance.

12. Timing equipment

We had a discussion on timing equipment.
