5. **Deputy Head Coach**

This is to reduce the administration Roger carries out on top of his weekly coaching. In time possibly Dave could pick up some of the administration.

6. **Peer Race Camp**

Di is investigating running another race camp at Peer this would be in the autumn school half term.

7. Google Group Distribution Lists

A request has been made by a number of club members to not receive the emails regarding racing events.

Can we investigate if possible to maintain two club distribution lists one for members to receive all emails the second distribution list for members to receive only non-racing emails.

8. Training at Chill Factore

Di is organising race training at Chill Factore on Sunday 23rd April and Sunday 6th August commencing at 17.30

Following a discussion it was suggested we also offer ski training in the afternoon from 14:00 to 16:00. Di to check with Chill Factore if this can be arranged if yes then advertise both sessions of training to all club members.

9. Eola booking system

Members are booking late to attend training sessions which makes it difficult to estimate if we require one or two coaches to coach on an evening. Following a discussion it was agreed we would update the Eola booking system to require bookings to be made 24hours prior to the start of the session. Dave to notify all club members via email of this change.

10. Gloucester Summer Race League

Gloucester will be holding a number of races over the summer which hopefully a number of our members will be entering. Dave offered to be the GSLR manager to assist new and existing racers.

Date of Next meeting

The next RSG meeting is scheduled for Monday 27th February 2023 @ 19:30 to be held via a zoom conference call.
