3. **MSC Club National 2024**

5. The National Snow Show @ Birmingham 14/15 October 2023

Di provided an update on MSC having a stand at the National Snow Show.

We will need volunteers to assist with the planning and set up of the stand.

6. Slalom Gates

We have a number of slalom gates broken due to base breakages and losses. Thus we need to purchase one new set of Slalom gates in time for the Club National in July. The main committee has agreed a budget to purchase the slalom gates.

7. Brower Timing System

Previously we have investigated the cost of purchasing a new Brower timing system this would be used at coaching sessions and would be easier to set up than the full system that Dave Lee utilises for the Club races. We have now received a quote for the items which we wish to purchase. The main committee has agreed to purchase the Brower timing system as per the quote sent out by Di.

Date of Next meeting

The next RSG meeting is scheduled for Monday 26th June 2023 @ 19:30 to be held via a zoom conference call.
